## VILLAGE REFUSE HAULER—BIG O REFUSE

The Village of Granville has contracted with the Big O Refuse company to provide exclusive residential refuse hauling services for the entire Village. Refuse is collected weekly every Thursday, except for holiday weeks when the pick-up is on Friday. Items should be placed at the curb prior to 7:00am the day of pick-up. A 96-gallon Toter and a recycling bin are provided to each household. You may use your own container or bags as long as the container has a lid, handles and neither weighs more than 50 pounds.

To start your service, please contact Big-O at 1-888-924-BIGO (2446) to have your Toter and recycling bin delivered. Refuse service will be billed monthly on the Village water/sewer bill at a rate of \$14.65 per month, per household or a senior rate of \$13.18 per month. Residential premises that will be vacant for at least thirty (30) days may suspend monthly services by contacting the Village at 587-1400.

An 18-gallon recycling bin is provided as part of the refuse service. The Village encourages the community, through the convenience of commingled curbside pick-up, to utilize the recycling service offered to help create and support a greener environment.

### ITEMS ELIGIBLE FOR RECYCLING

- Aluminum
- Glass
- Magazines and junk mail
- Metal and bi-metal cans
- Newspaper
- Paper and cardboard
- Plastics (#1-#7)

## ITEMS ELIGIBLE FOR CURBSIDE PICK-UP

### Yard Waste

- Limit of five 50 pound bundles per week
- Limbs should be no larger than 2" in diameter and no longer than 4'
